*“If there were no “Brave”... there  
would be no “Land of the Free”*

*They were there when we needed them...*

*We must be there now that they need us!*

Whenever the safety and security of our nation has been at risk, they have answered the call of duty... but many are still trying to find their way home. On any given night there are over 300,000 homeless Veterans living on the streets. In Massachusetts alone there are more than 7,500 homeless Veterans. Many others are at risk due to poverty and lack of support.

Your generosity will make the difference!

VINCENT J. PERRONE  
President & CEO

Sincerely,

DENIS M. LEARY  
Executive Director
